

Introducing an in-depth study guide for the new UMPJE:

Review of Pharmacy Law for the UMPJE 2026 Booklet

This brand-new study guide features:

- Content written by a pharmacist who has been teaching pharmacy law for 29 years
- 136 pages of notes covering federal law and pharmacy practice laws common to most states
- Material is summarized in bullet point format for easy studying
- Written in a format that removes all that legal jargon
- Contains test taking tips and law summary sheets
- Provides over 250 practice cases and multiple-choice questions
- Multiple-choice questions are mostly written in the same format as the actual exam to allow the student to practice on them

This comprehensive booklet will help you prepare for the new UMPJE Exam. I have been providing pharmacy law review booklets to my students at Ohio Northern University and The Ohio State University Colleges of Pharmacy for 29 years. During this 29-year period, I have averaged a 94% pass rate. This booklet was recently written and updated in February 2026.
